SUMMARY

MCA student at Pondicherry University with a B.Voc in Data Science from St. Thomas College (Autonomous), Thrissur (Class of 2025), bringing hands-on expertise in data analysis, visualisation, and backend programming. Completed a Python Developer Internship at Nth Index Software Solutions LLP, where I built RESTful APIs with Django, integrated authentication and API versioning, and collaborated with frontend teams for seamless integration. Proficient in PostgreSQL and MySQL, with experience integrating third-party services and applying Agile methodologies — including code reviews, debugging, and performance optimisation — to enhance application efficiency.
